Hi Matt, all application materials submitted to date to the P&Z can be found on line on the towns website where pending P&Z applications are listed. In July I recommended the applicant submit revised materials. The applicant in July and again today advised he (Pete Romano) is working on it. The P&Z hearing will be scheduled following receipt of this info.

The Joint Committee has a meeting scheduled on Tuesday. You can reach out to Bill Harris to inquire if their materials are also posted on line as since Daryn's departure it's not clear to me if her consulting role includes work with the Joint Committee.

Conrad,

I have added Mary Young to this email as she is the Director of P&Z.

Mary,

This is the second email I have received from neighbors inquiring about this application. If they could be pointed to any and all information regarding it, I'd appreciate it.

Thanks

Matthew
